FOUNDING 50

*Hudson's **Founding 50 Club** began in 2018 as a grass roots "like minded" creative members club that empowers professionals from 50 different creative industries through events, socials and retreats. The club has since been grandfathered into our brand ambassador club and will be joined by many new global influencers and celebrities that align with the house culture.*

CULTURE

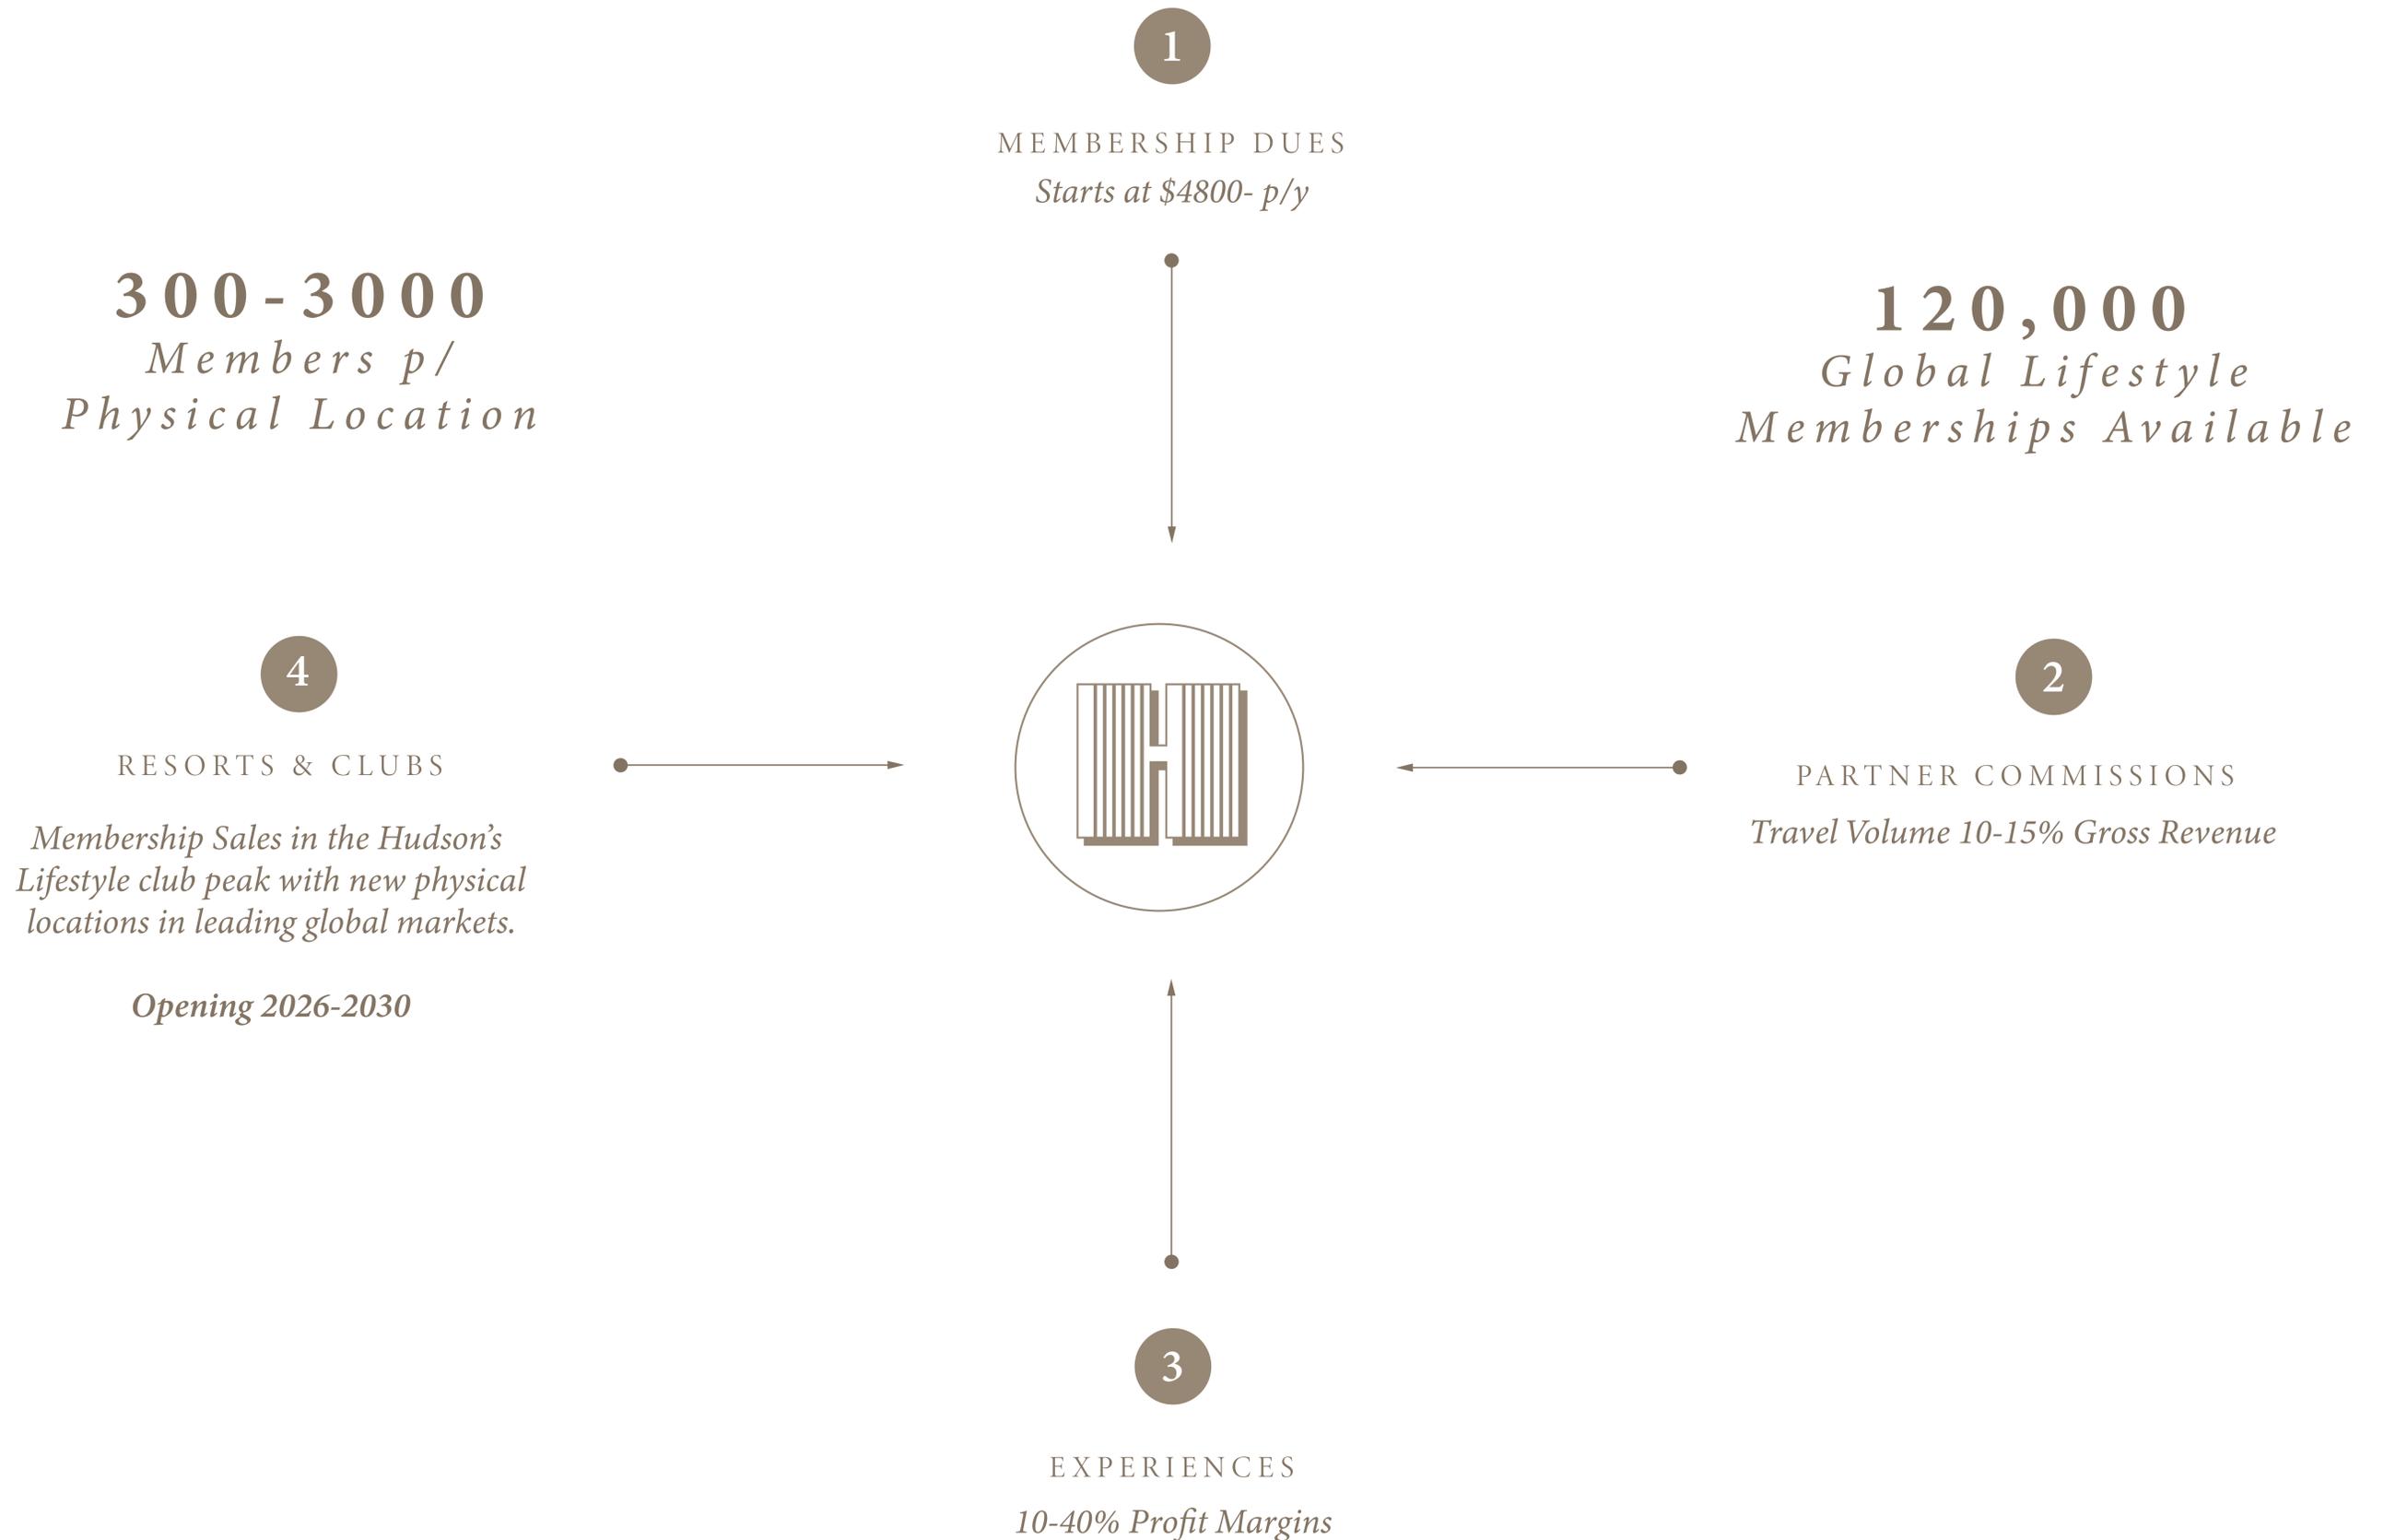

Hudson's culture begins with its team and ends with the guest or member. Our culture strives to empower all our employees with above standard wages, benefits, along with access to programs for education and skill development. We invest and educate within our communities with the help of our partners.
